1. Martha Hall, M.A., LPCC supervised by Leilani Cullen, M.A., LMFT, All Inclusive Counseling, Inc., 1802 Chapel Hills Dr. Ste A, Colorado Springs, CO 80920
2. Martha received a Master of Arts from the University of Colorado at Colorado Springs in 2022 in Counseling and Human Services with an addiction's emphasis. Martha also received Bachelor of Science from Louisiana State University in 2019 in Psychology with a minor in Sociology. Martha's background includes 1 year of case management for homeless individuals in Louisiana. In addition, she has worked one year as a Mental Health Technician at Cedar Springs Behavioral Health Hospital. She also completed four months of practicum experience and four months of internship experience with Cedar Springs Behavioral Health Hospital. Martha completed eight months of internship at All Inclusive Counseling, Inc. She is a member of the American Counseling Association (ACA), and the International Association of Addictions and Offender Counselors (IAAOC).
3. **Methods & Techniques:** Martha employs a person-centered approach to counseling that prioritizes patient autonomy. This approach assumes that clients' potential can be reached through a strong, trusting, relationship with a Counselor. This relationship consists of empathic listening, genuine interactions, and non-judgmental processing of client's thoughts and experiences. For family services, structural family therapy operates under the assumption that family dysfunction occurs when disturbances in family subsystems reach an intolerable level. Interventions from this perspective focus on reestablishing healthy family boundaries that support a functioning family structure. Martha is pleased to elaborate on these concepts at any time, as she encourages questions regarding her approach. By and large, however, your experience will be based in dialogue founded in these ideas. Participating in the counseling process can provide many benefits to the lives of clients. Counseling will promote self-awareness, authenticity, optimism, and meaningful daily lives.

If parents request treatment information from me, I may provide a treatment summary, in compliance with Colorado law and HIPAA Standards.

g. I agree not to record our sessions without your written consent; and you agree not to record a session or a conversation with me without my written consent.

To consent to sending and accepting texts you recognize the risk that information could be exposed to others when it appears on your phone. Fax is used to transmit and receive health information to and from requested parties with consent. I understand that AIC may contact me to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to me.

k. AIC may keep and store client information electronically on AIC's laptop or desktop computers, and/or some mobile devices. In order to maintain security and protect this information, AIC may employ the use of firewalls, antivirus software, changing passwords regularly, and encryption methods to protect computers and/or mobile devices from unauthorized access. AIC may also remotely wipe out data on mobile devices if the mobile device is lost, stolen, or damaged. m. To know I do not accept friend or contact requests from current or former clients on any social networking site (Facebook, LinkedIn, etc) to avoid compromising confidentiality and to keep the boundaries of our therapeutic relationship so do not contact me these ways. I understand that AIC has a business social media account page. I understand that there is no requirement that I “like” or “follow” this page. I understand that should I “like” or choose to “follow” AIC’s business social media page that others will see my name associated with “liking” or “following” that page. I understand that this applies to any comments that I post on AIC’s page/wall as well. I understand that any comments I post regarding therapeutic work between my therapist and I will be deleted as soon as possible. I agree that I will refrain from discussing, commenting, and/or asking therapeutic questions via any social media platform. I agree that if I have a therapeutic comment and/or question that I will contact my therapist through the mode I consented to and not through social media. Know my listings on any site like square, yelp, etc. are not requests to add a review, testimonial, rating or endorsement.

n. To express yourself on any site you wish using a pseudonym not linked to your email address or friend networks to protect your confidentiality, but I cannot respond to any review due to confidentiality, and I may never see them. To communicate anything about therapy or therapist directly in session, even if you decide we are not a good fit.

o. To call 911 or go to the nearest hospital emergency room in the event of a crisis/emergency and seek immediate medical or psychiatric attention. If currently considering or threatening suicide or any form of harm to myself or others, client takes full responsibility for seeking appropriate local help immediately and for any action client may take. Client acknowledges the following resources: [www.hopeline.com](http://www.hopeline.com) 1-800-273-TALK(8255) 24hour Suicide Prevention Lifeline 1-800-SU ICIDE 1-800-656-HOPE 1-800-TLC-T EEN 844-493-TALK(8255) text TALK to 38255 CO Crisis Support Line Crisis Text Line 741-741 free 24/7 for suicidal thoughts, bullying, depression & other tough issues

p. To understand that, in keeping with generally accepted standards of practice, therapist may confidentially consult with or receive mentoring from other mental health professionals, i.e. regarding case management. The purpose of the consultation is to assure quality care, and every effort is made to protect the identity of clients. You will be notified as to whom and when requested given a release form to sign prior to the consulting.

q. A proceeding for discipline of a licensee, registrant, or certificate holder may be added to existing statutes; commenced when the board that licenses, registers, or certifies the licensee, registrant, or certificate holder has reasonable grounds to believe that the licensee, registrant, or certificate holder under the board's jurisdiction has committed any act or failed to act pursuant to the grounds established in section 12-43-222 or 12-43-226. (II) (A) Any person who alleges that a licensee, registrant, or certificate holder violated a provision of this article 43 related to maintenance of records of a client eighteen years of age or older must file a complaint or other notice with the board within seven years after the person discovered or reasonably should have discovered the misconduct. A licensee, registrant, or certificate holder shall notify a client that the client's records may not be maintained after the seven-year period for filing a complaint pursuant to this section. The

required notice must be provided to the client in writing no later than one hundred eighty days after the end of the client's treatment. The notice may be included with the licensee's disclosures pursuant to section 12-43-214 (1) or sent to the client's last-known mailing address. Consistent with all procedural requirements of this article 43, or otherwise required by law, the board must either take disciplinary action on the complaint or dismiss the complaint no later than two years after the date the complaint or notice was filed with the board. (B) The seven-year limitation period specified in subsection (1)(a)(II)(A) of this section does not apply to the filing of a complaint or other notice with the board for any other violation of this article 43, including the acts described in section 12-43-222 or 12-43-226.

r. If an adult client requests a copy of the file then my policy is to provide a treatment summary. In the rare case that SSA or a disability agency requests a copy with a specific release for the actual record then the entire copy of the file may be released.

s. If a couple/family client needs individual therapy individual(s) will be referred. Otherwise couple/family therapy would need to be terminated and couple/family therapy could not resume, and must have written consent of all parties. The risk is one party could subpoena therapist later while treating one and giving information on the couple/family causing complications. Couple/family clients may have individual break-out sessions to support the goals of the couple/family, for intake and assessment. During break-out sessions with one member of the couple/family, we limit confidentiality, meaning anything that's shared in break-out sessions may be shared with the other member(s) to effectively treat the couple/family, with consent. With consent I will use my best judgment as to whether, when, and to what extent first the disclosing member be given the opportunity to share it or I make disclosure to the couple/family, if appropriate. Such information becomes part of the couple/family client's file, and may indicate need to terminate couples/family therapy if shared information indicates continuing couples/family therapy could cause harm, i.e. ongoing affair or characterological domestic violence. As long as no major extreme conflict exists between siblings, they may both receive services here. If you feel it necessary to talk about matters you absolutely don't want to be shared with anyone then consult with an individual therapist who can treat you individually. This prevents a conflict of interest of an individual and a couple/family. Information gained in break-out sessions may be relevant or essential to proper treatment of couple/family. If I am not free to exercise my clinical judgment regarding the need to bring this information to the couple during therapy I might be placed in a situation where I will have to terminate couples/family therapy. This policy intends to prevent such need for termination. A request for records by anyone in couples/family therapy requires the signed authorization of all privilege holders. Information shared by a collateral is not confidential and may be shared if subpoenaed to testify.

7. **METHODS AND TECHNIQUES** Therapist integrates trauma-informed mindfulness-based Cognitive Behavioral Therapy, Dialectical Behavioral Therapy, Emotionally Focused Therapy, Solution-Focused Therapy, Acceptance and Commitment Therapy, Motivational Interviewing, and systemic therapies and techniques with a strengths-based approach, utilizing the evidence-based treatment modality appropriate to the client and presenting issues. Issues of special interest are relationships, parenting, trauma, ADHD, anxiety, and depression. Duration is determined by need and measured progress.

8. **OUTDOOR THERAPY** Spending time outdoors during counseling sessions can be very valuable and is an option when you meet with me. However, you must know that certain situations outdoors may lead to encountering the risk of others in the community seeing a counseling session take place. Similar to group counseling, confidentiality cannot be guaranteed in outdoor counseling settings. However, I will do my best to ensure your physical and emotional safety. Clients agree to inform the counselor of any medical issues that may impact client safety during outdoor sessions (examples include, but are not limited to, allergies or heart conditions).

9. **NOTICE OF PRIVACY PRACTICES RECEIPT & ACKNOWLEDGMENT OF NOTICE** You have been offered a copy of Therapist's "Notice of Privacy Practices" to read and it is available on our website below. If you have any questions regarding the Notice or your privacy rights, you may inform Therapist.

a. **Client Refuses to Acknowledge Receipt**

10. **SLIDING SCALE FEE WITH PROMPT PAY DISCOUNT AT TIME OF SERVICE**

11. **DISCLOSURE REGARDING DIVORCE AND CUSTODY LITIGATION** If you are involved in divorce or custody litigation, my role as a therapist is not to make recommendations to the court concerning custody or parenting issues. By signing this Disclosure Statement, you agree not to subpoena me to court for testimony or for disclosure of treatment information in such litigation; and you agree not to request that I write any reports to the court or to your attorney, making recommendations concerning custody. The court can appoint professionals, who have no prior relationship with family members, to conduct an investigation or evaluation and to make recommendations to the court concerning parental responsibilities or parenting time in the best interests of the family's children. If you subpoena me or records I will obtain an attorney to oppose it in order to preserve the extremely important therapeutic relationship. Harm may result in the clinical relationship when providers are forced to testify and to share treatment information regarding their children clients. If children client's confidentiality is betrayed it may risk loss of therapeutic alliance and trust. Despite this should client subpoena therapist to testify in court about therapy sessions, therapist testimony in court is limited to statements of fact about therapy sessions conducted with client and attending parties. Therapist is NOT qualified to offer opinions in matters of custody, parental fitness, and topics beyond the scope of the therapy sessions. Therapy sessions are protected by HIPAA and the Colorado Revised Statutes, and client/therapist confidentiality will be invoked during testimony, except where explicit or implied consent has been given by all parties attending those sessions being addressed. The judge may order therapist to testify, and therapist may appeal judge's order under certain extraordinary circumstances. Therapist fee is \$300/hour, "door-to-door", regardless of whether therapist testifies, with a \$600 retainer due prior to the court date. If it is not paid for prior to giving testimony, therapist will inform the judge of that fact.

12. **BILLING** Should you use insurance benefits, you authorize the release of any medical or other information necessary to process this claim and payment of medical benefits to the undersigned supplier of services (therapist). You also request payment of government benefits either to yourself or to the party who accepts assignment below (therapist). You acknowledge that some specific services are not a covered benefit by insurance and agree to pay, for example, many insurance companies including Medicaid do not cover couples counseling, or non-Axis I diagnoses, and clients are responsible for paying for that. Surprise/Balance billing. Beginning 1/1/2020, Colorado state law protects you from "surprise" or "balance billing." These protections apply when: 1) You receive covered emergency services, other than ambulance services, from an out-of-network provider in Colorado, and/or 2) you unintentionally receive covered services

from an out-of-network provider at an in-network facility in Colorado. A complete list of client rights and responsibilities is available at

<https://www.colorado.gov/pacific/dora/out-network-health-care-provider-reimbursement>, at <https://www.allinclusivecounseling.com/>, or by request through the patient portal.

13. **LATE CANCELLATION/NO SHOW/TERMINATION POLICY AGREEMENT** You shall keep all scheduled appointments, unless a personal emergency occurs, and shall give notice of at least 24 hours of intention to cancel your appointment. If you leave a message, the date and time of the message will be notice. Cancellations for Monday sessions need to be cancelled by the end of business day (5pm) on Fridays. If appointment is canceled at least one hour, but less than 24 hours, you will be charged \$30 for the scheduled session (LATE CANCEL FEE). Cancellations of less than an hour will be considered a “NO SHOW” and you will be charged a full session fee, unless an emergency occurred determined by therapist. The first time each of these occurs you will not be charged (grace). However, if this should occur a second time, you will be charged. Grace is always given for sickness and unsafe weather/road conditions. You will be responsible to schedule the next appointment. If you do not then Therapist will call once to clarify your wish to continue or end therapy. If you do not respond within a week, therapist will document closure with any reason. Therapist reserves the right to end therapy when appropriate and ethical. We refuse services for safety reasons. In the case that I become disabled, die, or am away on an extended leave of absence (hereinafter “extraordinary event,”) the following Mental Health Professional Designee will have access to my client files. If I am unable to contact you prior to the extraordinary event occurring, the Mental Health Professional Designee will contact you. Please let me know if you are not comfortable with the below listed Mental Health Professional Designee and we will discuss possible alternatives at this time. Melissa Bannerot 5540 N Academy Blvd Ste 250 Colorado Springs CO 80918 719-310-6357 LSW 773. In the event that she is unable to perform this function then it will be Beverly Gardner at the same address, 719-660-5281 LPC 1820.

14. **RESPONSIBILITIES, PAYMENT FOR THERAPY FINANCIAL AGREEMENT** Your appointments will usually be 30 (child), 45 (adult/EAP), or 60-75 (trauma/family) minutes, posted and charged the standard rates, or sliding fee scale below with documentation of your household monthly/annual income. As the financially responsible person for the account you are ultimately responsible for all fees described in this agreement and will pay at time of check-in for all portions of services due in full at the time services are provided by therapist. Payment methods accepted: Cash, Personal Check, or debit or HSA card via Square or Electronic Payment Agreement.
